DECLARATION OF CONFORMITY

To the RoHS II directive (2011/65/EU)

Restrictions on the Use of Certain Hazardous Substances in Electrical and Electronic Equipment

Effective 22 July 2014

I hereby confirm that KAC does not use any RoHS restricted materials during the manufacturing, storage or handling process. And to the best of our knowledge, the products that we sell do not contain any hazardous substances above the limits designated in the original RoHS Directive or any of its amendments. Namely lead, cadmium, mercury, hexavalent chromium, polybrominated biphenyl (PBB) and polybrominated diphenyl ether (PBDE) flame retardants.

Products labeled as CE are compliant with European Parliament Directives 2002/95/EC (RoHS) and 2011/65/EU (RoHS II).
